About TB Europe Coalition (TBEC)

Established in 2009, TBEC is a regional advocacy network of civil society organizations and individuals from across the World Health Organization (WHO) Europe region, comprising Western and Eastern Europe, Caucasus and Central Asia. The network aims to strengthen the role of civil society within the regional response to TB, and ensure political and financial commitments to end TB. Currently TBEC has more than 200 members from more than 30 countries in the region. In 2017, TBEC was registered as a legal entity in the Netherlands to step up its regional and national advocacy, capacity building and support to country-led TB advocacy initiatives. The TBEC Secretariat is located in Kyiv and responsible for the coordination, communication, administration, programmatic and policy management of the network.

TBEC's primary role in the project is to support civil society organizations in their advocacy for people-centered TB care at the national and regional levels. In particular, TBEC develops regional policy and other relevant documents on the role of civil society in providing people-centered services for EECA countries and supports capacity development activities for civil society and community organizations.

The objective of the assignment:

To provide logistical and administrative support in the organization of a series of national and international events (trainings, workshops, conferences, etc.) needed in the framework of the implementation of the current projects.
